

Meet the Chargers

Saturday, August 20, 2011

Dear Churchill Families –

How time flies! As a Churchill grad and former athlete, I remember this day as if it were yesterday. “MEET THE CHARGERS” is here again and is an annual event hosted by the Charger Sports Association to kick off the season for ALL SPORTS for the new school year. 2000+ people attend this event and it is one of, if not THE largest in NEISD. It welcomes students back with a pep rally that honors all Charger varsity sports teams by introducing them and their coaches. Our awesome Band, Cheerleaders, Dance Team, Drill Team, Pep Squad and ROTC all perform to energize and entertain with CHARGER SPIRIT and show off the hard work they do all summer!

It's also the time to learn about all the many organizations at Churchill and meet those involved with each group. There are plenty of Charger items to buy, including a lot of new spirit wear, so make sure to bring your checkbook! Bring your family and friends for a fun CHARGER evening! If you are a “seasoned” Churchill Charger, you know what Meet the Chargers is all about – an event not to be missed!

Dinner will once again be catered by Fuschak's Pit BBQ of San Marcos, which includes a generous serving of brisket, sausage, beans, potato salad and tea for \$8.00* per plate (*if purchased prior to 8/12/11). Food service will run from 5:30-7:00pm. The Pep Rally will begin at 7:30pm. Tickets are available through your Sports Rep or Band/Spirit Director at most extra-curricular events and parent meetings during the summer, including football, volleyball, tennis, cross country, golf, band, dance, cheer, New Parent Orientation, Prep Days, etc.

We'll see you at MEET THE CHARGERS!! This information is also posted on our website at www.chargersports.org.
