

# Soon 2B Chargers, 2011

Benefiting the Charger Sports Association (CSA), a non-profit 501 (c) (3) organization

## THANKS to our 2011 VOLUNTEERS:

Churchill's Athletic Coordinator, Coach Glenn Hill, and Charger Sports Association hosted a "future Chargers" orientation event on May 14, 2011 at the Churchill Athletic Facility. The purpose of the event was to welcome the incoming Freshman families to Charger Sports, let them tour the Athletic Facility, meet the coaches, meet some of the upper classmen and fellow teammates, listen to music, eat a hot dog, etc. There was a "welcome" speech/presentation from Coach Hill at the beginning of each of the sessions, plus breakout briefings by each head coach for each sport.

*It was a HUGE success, thanks to the best coaches and volunteers on the planet!*

## And THANKS to JORDAN FORD

On behalf of CSA, Coach Glenn Hill, the Churchill Athletic Department Staff, and the over 800 student athletes of Winston Churchill High School, we would all like to say thanks to Marc Cross and the entire Jordan Ford team. The fundraising ideas and assistance they have provided us during the last two years have netted CSA over \$12,000 in donations from Jordan Ford and the Ford Motor Company. The Drive One 4 UR School program became the anchor event for both the grand opening of our beautiful new athletic facility in May of 2010, and our 2011 "Soon 2B Chargers" orientation event.

*The support from Jordan Ford underlines the quality of corporate citizenship this firm has exemplified for over 92 years in San Antonio.*

Very sincerely,  
Terri & Tom McClelland  
Presidents, 2011-12  
Charger Sports Association
