

Charger Sports Association (CSA) Rep Presentation

Hi! My name is XXX XXXXX, I am your CSA membership rep for the 2021-2022 school year. My (Son or Daughter) participates in the following sports.

You may be wondering what CSA is. CSA is Churchill's athletic booster club. Our goal is to make a difference in the lives of our student athletes.

The primary way we support Churchill athletics is financially. Typically, we provide \$1,000 to every sport at Churchill, for the coach to spend at his or her discretion.

CSA also covers "wish list" items that the coaches may submit that are not in the athletic budget, so we are trying to raise money to pay for these items as well. Some of the items we have paid for include:

- Maintenance of the field and track
- Training room equipment and supplies
- Weight room equipment
- Laundry detergent
- Special Olympics uniforms
- Sound system for the gym
- Support the Varsity athlete's sports banquets

We support all sports at Churchill (that's about 1/3 of our students).

Some other things CSA is responsible for include providing the volunteers to do the following items:

- Create and distribute the All Sports Program, which is sold at sporting events.
- Throw Meet the Chargers, which is a school-wide event.
- Host the Charger Golf Classic, which benefits all sports and all Churchill families are welcome.
- Sell CSA spirit merchandise (typically at prep days, CSA meetings, and football games.)

All of the funds raised from these programs go right back to the students.

A significant portion of our income comes from your membership in CSA. By joining CSA you join forces with other parents, the CSA Board, and our coaches and Athletic Coordinator to help support all sports here at Churchill. This year your membership is very important to us due to the limited fund-raising activities we can have.

Another reason to join is our Membership Contest.

The sport with the highest percentage of CSA membership in three categories, small, medium and large (based on UIL registered athletes) will receive \$1000.

Every sport has a chance to win extra money in this contest, so become a member of CSA and help your team win some extra dollars.

How to join

- The best way to join is to go online and fill out a membership form at chargersports.org. You then need to do the second step and pay via PayPal (you can do this even if you don't have a PayPal account).
- You can also print your membership form and mail a check to CSA, information located on our website chargersports.org.
- When filling out your form, decide your participation level (\$25 and up) and please enter all your Churchill athletes and the sports are participating in. Your one membership counts towards all of the sports your children participate in for purposes of the contest.
- Remember that CSA is a 501(c)(3) organization, and your membership fee is tax deductible. Also, please check to see if your company participates in a matching gift program – it's an easy way to double your gift.
